

OH22 is an **infrastructure and IT-support service provider** with long-term and wide-ranging experience.

Our recipe for success is down to our passionate staff. Our consultants and technicians always bring all their know-how, work attitude and experience in order to fulfil the requirements of our clients.

QUALITY MANAGEMENT

- Maintaining our certified **Quality Management System** in accordance with **ISO 9001:2015**
- **Exceed customer expectations** by committing to service quality
- **Continuously improve** our service and adapt to our Customers needs

INFORMATION SECURITY

- Maintaining our certified **Information Management System** in accordance with **ISO 27001:2013**
- Following the principles of **confidentiality, integrity** and **availability** to protect information
- Wherever possible **reduce IT-related risks to a minimum**

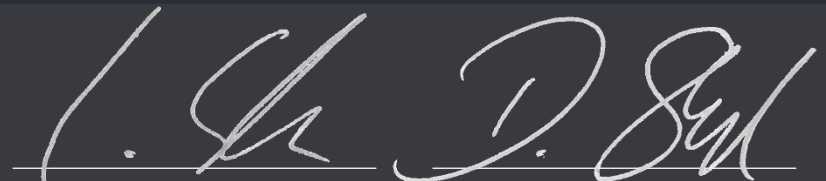

CORE VALUES

- Our work is based on **integrity**, **accountability, loyalty** and **fairness**
- We care for **customers, employees, partners** and **suppliers**
- We are committed to **innovation** and **service excellence**
- Sustainability and **ecological awareness**

Our goal is to provide the highest quality services and products by creating sustainable and practical solutions, allowing our customers to focus on their core business.

This commitment is rooted in our company values and is essential to our continuous growth and success.
